On December 18, 2015, President Obama signed into law a bill reauthorizing the James Zadroga 9/11 Health and Compensation Act of 2010. This includes the reauthorization of the VCF. The new law requires the VCF to make important changes to the policies and procedures for evaluating claims and dictates that any new claims cannot be filed until the updated regulations have been published by the Special Master.

**The VCF is reviewing this document to be sure it reflects
only the most accurate and up-to-date information.**

Please see the www.vcf.gov website for important information about the reauthorization and a timeline that shows the general timing of activities over the next year as we implement the new law.

If the VCF contacted you to request missing information for your claim, please go to “Claimant Search” for instructions on how to upload documents.
