

Instructions for Amending a Claim

You may amend your claim after submitting the eligibility and/or compensation portion of the claim if you meet one of the following circumstances:

- You are diagnosed with a new 9/11-related injury or condition, the WTC Health Program certifies you for a condition not previously certified, or the WTC Health Program adds a new condition to its list of presumptive conditions and you have been diagnosed with that condition.
- Your injury or condition substantially worsens, resulting in loss that was not previously compensated.
- You have incurred additional economic losses due to your eligible injury or condition.
- You have information in support of your claim that was not submitted to the VCF when your loss amount was determined and that you believe would impact the amount of your calculated loss.
- You need to add, change, or remove the Personal Representative or Parent/Guardian on an existing claim.
- Your claim was denied or deemed inactive because you did not respond to the VCF's request for missing information and you are now ready to provide the requested documents.
- You have received the initial award determination on your claim and are seeking reimbursement for out-of-pocket medical expenses that total more than \$2,000.

Follow the instructions below to amend your claim. Be sure to carefully review the instructions so you are prepared to complete your amendment in full, including submitting any required supporting documents.

If you submitted a Hard Copy Claim Form or need to submit your Amendment in Hard Copy:

- **To add a new 9/11-related condition:** Submit a cover letter requesting to amend your claim to add the new condition(s). If you are being treated by the WTC Health Program for the condition, submit your WTC Health Program certification letter. If you are not being treated by the WTC Health Program for your new condition(s), you must complete and submit a Private Physician package in order for the VCF to evaluate the condition as eligible for compensation. The VCF cannot review your newly claimed condition until the Private Physician forms and applicable medical records are submitted. Information about the Private Physician process, including detailed instructions and forms, can be found on the VCF website under "Forms and Resources."
- **To add other eligibility information:** Submit a cover letter requesting to amend your claim and provide details about the new information you are submitting. Mail the letter with the required supporting documents based on the type of amendment.

You must mail those documents along with the items listed below to the VCF before we can review your request:
