

To be eligible to file a claim, you must register with the VCF by your applicable registration deadline. Registration preserves your right to file a claim, but does not obligate you to do so and does not waive any legal rights. Registration deadlines are different for each claimant depending on individual circumstances. To see the listing of registration deadlines, visit www.vcf.gov/pdf/RegisterChart.pdf. Regardless of your applicable registration deadline, **all** claim forms and supporting documents must be submitted by December 18, 2020.

More general information about registration, how to file a claim, and Frequently Asked Questions can be found at www.vcf.gov
