

Third Party Verification Form – Instructions

In order to qualify for compensation from the September 11th Victim Compensation Fund (“VCF”), an individual must prove that he or she was present at one of the 9/11 crash sites at some point during the period beginning on **September 11, 2001, through May 30, 2002**. **The VCF needs to know where the individual was located, and the specific date(s) when he or she was there.** For purposes of the VCF, the 9/11 crash sites include:

- The World Trade Center site, the Pentagon site, or the Shanksville, Pennsylvania, site.
- The buildings or portions of buildings that were destroyed as a result of the terrorist-related airplane crashes of September 11, 2001.
- The **New York City Exposure Zone**, which includes the area in Manhattan south of the line that runs along Canal Street from the Hudson River to the intersection of Canal Street and East Broadway, north on East Broadway to Clinton Street, and east on Clinton Street to the East River.
- Any area related to or along the routes of debris removal used during the cleanup activity, such as barges and the Fresh Kills landfill.

You have been asked to complete this form because an individual (or their authorized representative) filed a VCF claim and indicated that he or she was affiliated with your organization during the period beginning on September 11, 2001, through May 30, 2002, and you may have information that verifies the location and dates of the individual’s work or volunteer activities.
