Good morning,

The following updates were recently made to the VCF website:

- [Policies & Procedures Section 1.9](#): Updated to add proof of presence instructions for employees of New Rochelle Police Department. For ease of reference, the information is provided below.

[New Rochelle Police Department](#)

The VCF receives presence information directly from the New Rochelle Police Department. Therefore, individuals that were employed by the New Rochelle Police Department and worked in the NYC Exposure Zone during the period beginning on September 11, 2001, through May 30, 2002, do not need to submit any documents as proof of presence at the site unless the VCF specifically requests such documents.

Please begin following this new guidance immediately for any claims you submit for individuals whose presence is based on their employment with the New Rochelle Police Department. This information has also been incorporated into the [Interactive Presence Guide](#).

Thank you.
